| What Authoring Tools Will You and Your Content Providers Use?..... | 10 |
| Will Your Site Include a Live Connection to a Database?..... | 11 |
| What Multimedia Plugins Will You Require Your Users To Install?..... | 11 |
| What Will You Do to Ensure Compliance with Copyright? Will You Offer a Content Policy? | 12 |
| Feedback and Group Discussion | 13 |
| How Will You Promote Your Site? | 14 |
| Leveraging Free Internet Services for Team Members | 14 |
| Using Your Own Services..... | 17 |
| Chapter 3: Choosing Technologies..... | 1 |
| Technology as Building Blocks | 2 |
| Authoring, Server, and Client-Side Technologies | 4 |
| Animated GIFs..... | 4 |
| Image Maps | 5 |
| The Common Gateway Interface (CGI)..... | 6 |
| Active Server Pages..... | 7 |
| Cold Fusion..... | 8 |
| JavaScript | 8 |
| Java..... | 10 |
| ActiveX | 11 |
| Shockwave and Flash..... | 11 |
| Streaming Media | 11 |
| Adobe Acrobat | 12 |
| VRML and Other 3-D Environments..... | 14 |
| Dynamic HTML (DHTML)..... | 15 |
| XML..... | 16 |

| | |
|--|----------|
| Chapter 4: HTML and HTML Authoring Tools..... | 1 |
| HTML: the Language of the Web..... | 1 |
| Other HTML Tags..... | 8 |
| File Organization on the Server..... | 9 |
| Relative versus Absolute URLs..... | 11 |
| HTML Standards..... | 13 |
| Web Authoring Tools..... | 13 |
| Advanced Authoring and Site-Management Tools..... | 20 |
| HTML Editors..... | 21 |
| Free Web-Based Authoring Assistants..... | 24 |
| One Authoring Tool, or Many?..... | 24 |
| Chapter 5: Designing Your Web Site: Style and Architecture..... | 1 |
| The Good, The Bad, and The Ugly..... | 2 |
| Frames..... | 10 |
| To Be Avoided..... | 11 |
| Promoting Your Site..... | 11 |
| Final Thoughts on Design..... | 13 |
| A User-Centered Site..... | 14 |
| Chapter 6: Working with Digital Images..... | 1 |
| Images and Colors on the Computer Screen..... | 2 |
| The Importance of Anti-Aliasing..... | 3 |
| Digitizing Photographs..... | 4 |
| Using Scanners..... | 7 |
| Image Editing Software..... | 10 |
| Working with Selections..... | 15 |
| GIF Transparency..... | 16 |
| Manual Transformations..... | 17 |
| Layers..... | 18 |
| Creating Logos..... | 18 |
| Thumbnails..... | 22 |
| Optimizing Images..... | 23 |
| Animated GIFs..... | 24 |
| A Warning about Case and File Names..... | 26 |
| Chapter 7: Working with Digital Sounds..... | 1 |
| Fundamentals of Digital Audio..... | 1 |
| Approximate file sizes for various audio formats..... | 4 |
| Basic Recording Techniques..... | 5 |
| Method 1..... | 5 |
| Method 2..... | 8 |
| Including the File in a Web Page..... | 9 |
| Chapter 8: Overview of Streaming Audio and Video..... | 1 |
| Vendors of Streaming Solutions..... | 3 |

Building a Community Information Network: A Guidebook

| | |
|---|----------|
| RealSystem Media Types..... | 3 |
| RealSystem G2..... | 4 |
| Tuning Your Streaming Content to Your Users' Bandwidth..... | 5 |
| Components of the RealSystem..... | 6 |
| Preparing Your Content..... | 6 |
| License Considerations..... | 7 |
| Real Time Events..... | 8 |
| Understanding the Protocols..... | 9 |
| Wizard-Based Content Preparation..... | 10 |
| Chapter 9: Web Site and Server Maintenance..... | 1 |
| Server "Co-Location"..... | 3 |
| External Service Provider Caveats..... | 3 |
| Choosing to Run Your Own Server on Your Premises..... | 4 |
| Basic Web Publishing Infrastructure..... | 4 |
| The Domain Name System (DNS) and Your Domain..... | 9 |
| Domain Names and IP Addresses..... | 12 |
| Obtaining a New Domain..... | 13 |
| The Concept of TCP Ports..... | 14 |
| Running Your Own Server - "Ready-to-Run" Options..... | 16 |
| Server Platform Choices..... | 17 |
| Connecting to the Internet: Wide Area Network (WAN) Choices..... | 19 |
| Server Scenarios..... | 19 |
| Interfacing to Databases..... | 23 |
| A Search Engine for Your Site..... | 23 |
| Server Administration Roles..... | 24 |
| Choosing Your Server Hardware..... | 25 |
| Installing Your Server Operating System..... | 27 |
| System and Content Backup; Archiving..... | 27 |
| Log Analysis..... | 30 |
| Log Analysis Tools..... | 30 |
| Chapter 10: The Toolkit Software: An Overview..... | 1 |
| About the Software..... | 1 |
| The Toolkit Administrator..... | 2 |
| On-Line Toolkit Administration..... | 4 |
| User Administration..... | 8 |
| Entering Events..... | 10 |
| Viewing Calendars..... | 12 |
| Managing User Forums..... | 14 |
| Conclusion..... | 17 |
| Chapter 11: Best Practices in Community Networking..... | 1 |
| Executive Summary..... | 1 |
| Step One: What are your ideas?..... | 3 |
| Organize electronic information relevant to the local community..... | 3 |
| Create web sites for/with/about local organizations and the community as a whole..... | 3 |
| Digitize a static collection of documents or artifacts..... | 4 |

Building a Community Information Network: A Guidebook

| | |
|---|----|
| Digitize a collection of documents or artifacts which grows or changes..... | 5 |
| Create electronic directories of dynamic information..... | 5 |
| Create e-commerce and online transaction applications | 7 |
| Create webcasts of local events..... | 7 |
| Step Two: Do you need partners or participants? | 9 |
| Partnerships..... | 10 |
| Participation | 16 |
| Step Three: What is your plan? | 19 |
| Plan Elements | 19 |
| Planning Processes | 19 |
| Staffing | 24 |
| Financing | 27 |
| Training..... | 30 |
| Marketing..... | 38 |
| Technology..... | 41 |
| Design | 44 |
| Step Four: How will you manage the work? | 46 |
| Step Five: What are the implications for future projects? | 48 |
| People..... | 49 |
| Project Profiles..... | 50 |
| Lansing Regional Chamber of Commerce Career Connections | 50 |
| Milford Community Information Network..... | 54 |
| WebLinks..... | 57 |
| Resources..... | 60 |
| Organizations | 60 |
| Other Toolkits | 60 |
| Community Networking | 60 |
| Partnering | 62 |
| Planning | 62 |
| Technology..... | 63 |
| Funding..... | 63 |

Chapter 12: Installing Windows NT & the Toolkit Software

This chapter is provided electronically on the Toolkit CD-ROM and on the Toolkit Web site. It is in HTML format. The printed Chapter 12 provides an overview.

Appendix A: Components of the Toolkit

Appendix B: Glossary

Appendix C: Selected Web Publishing Resources
